You can find out more for the helpsheets on the GOV.UK website or by telephoning the VAT Disabled Reliefs on 0300 123 1073. HMRC staff cannot advise whether or not an individual is chronically sick or disabled.

A person is “chronically sick or disabled” if he or she is a person:

- With a physical or mental impairment which has a long-term and substantial adverse effect his or her ability to carry out everyday activities
- With a condition which the medical profession treats as a chronic sickness.

It does not include an elderly person who is not disabled or chronically sick or any person who is only temporarily disabled or incapacitated, such as a broken limb.

If you are unsure, you should seek guidance from your GP or other medical professionals.
